

Wetland Futures 2015

Bridging the conservation gap between
freshwater, saltwater & transitional wetlands

14th – 15th October 2015

The Priory Rooms, Birmingham

Delegate Rate: 1 day: £117.60, 2 days: £141.60

This two day event offers progressive insights into drivers and constraints to the development and management of healthy wetlands for a range of audiences, helping bring people together, forging new relationships and developing new ideas.
