WWT LONDON WETLAND CENTRE IS GREAT FOR GROUPS!

WWT London Wetland Centre is a beautiful wildlife reserve and international award winning visitor attraction, close to central London, with coach parking facilities and good public transport links. One of nine centres run by the Wildfowl & Wetlands Trust (WWT) the London Wetland Centre was voted Britain's *Favourite Nature Reserve* by *Countryfile* magazine readers in 2012. The site supports a wealth of wetland wildlife including colourful wild ducks, frogs, bats, a colony of water voles, lizards and migratory birds which arrive in large numbers from around the globe.

It is also a haven for people, whether watching the wildlife from one of the special viewing hides, relaxing in our gardens, enjoying a walk around the reserve or having a meal in our Kingfisher Kitchen.
