GREAT FOOD BY NATURE

Good to know

We're proud to serve sustainably sourced food and drink, from MSC certified fish to Fairtrade tea and coffee. Our fresh meat and milk are Red Tractor certified and the eggs we use are free range; great local food and drink are important to us. If you'd rather take your food away, you can rest assured knowing that our take away cups and sandwich boxes are 100% compostable.

Best of all, our profits support conservation in the UK and around the world. Thank you.
