

CORPORATE VOLUNTEERING

BE PART OF SOMETHING AMAZING

CORPORATE VOLUNTEERING DAYS

At WWT we've been running successful team building events since the early 1990s.

Our ten UK wetland centres and reserves are set in breathtakingly beautiful natural landscapes. Far removed from the everyday office environment, they provide the perfect location to engage your team in fun and exciting conservation work.

Volunteering is essential to WWT conservation and brings huge benefits to businesses.

Our corporate volunteering days will:

- Strengthen your team, boost their morale and create a real sense of achievement
- Improve your team's health and well-being, ensuring they return to work feeling re-energised and de-stressed
- Give your team a greater understanding of environmental issues
- Help meet your corporate social responsibility objectives

"The centre was fantastic. We had a really fun day and thoroughly enjoyed our conservation activities."

Janet Price,
Operations Director,
Eversheds Sutherland

WHAT YOU'LL BE DOING

Clearing sedge and rushes from water channels helps maintain water quality and improve biodiversity

Our corporate volunteering days are a great opportunity to try something new and interesting in a fun and safe environment.

You'll be helping us carefully manage our wetlands for the thousands of breeding and wintering waterbirds and other wildlife that call them home.

Our range of activities are chosen depending on the seasonal needs at our centres and the size of the group. All tasks are led by experienced WWT staff and are open to all abilities.

Help visitors get close to nature by restoring pathways and boardwalks across our reed beds and ponds.

A TYPICAL DAY

- 09:00** Arrive for briefing on day's activity
- 09:45** Get kitted up
- 10:00** Time to get stuck into one of our exciting activities
- 13:00** Enjoy a well earned break and delicious home cooked lunch in our restaurant
- 13:45** Join us for a talk about WWT's pioneering conservation work and globally important wetland reserves
- 14:15** Time to tackle your next conservation activity
- 16:00** Activity ends, but there's still time to explore more of the centre before you head home

Full health and safety briefing provided

GET IN TOUCH

Call Verity in the Corporate Partnerships Team to discuss your requirements. She will put together a sample itinerary for you.

Prices vary depending on which centre you choose and size of your group.

ABOUT WWT

Volunteer with us and you'll be working with one of the largest and most respected conservation charities in the world. We work globally to save, restore and create wetlands for wildlife and people.

- We're saving endangered species from extinction, including the rarest bird in the world, the Madagascar pochard
- We're inspiring children to love nature through fun, hands-on, outdoor activities
- We're working with some of the world's poorest communities helping them protect and sustainably manage their precious wetlands

"We have worked in partnership with WWT for a number of years now. Our staff thoroughly enjoy these days and get to learn about important environmental issues whilst there."

Maggie Robb, Corporate Sustainability Manager, PwC

CORPORATE MEMBER'S SCHEME

If you'd like to partner with us we also offer the Corporate Member's Scheme.

WWT has extensive experience working with companies of all sizes to deliver high profile creative relationships with extraordinary outcomes. We can deliver just what your business needs to:

- Increase your brand exposure
- Meet your Corporate Social Responsibility objectives
- Work towards the UN Sustainable Development Goals
- Engage and support your staff
