

VOLUNTEER OPPORTUNITY:

Grounds Support - Grounds & Gardens

Why do we need you?

Grounds & Gardens Volunteers ensure the centre is looking its best for our visitors and maintaining habitats for our living collections as well as our resident flora and fauna. There's plenty of ways to get stuck in and help maintain the grounds and gardens around Slimbridge Wetland Centre.

At WWT we believe that the best way for people to understand and connect to wetlands is to experience them, so we bring awe-inspiring nature up close and let it do the talking. At Slimbridge Wetland Centre visitors can explore unique wetland habitats and the amazing array of birds, mammals and amphibians that inhabit them. Our volunteers help to welcome and inspire visitors, and look after our unique habitats and heritage.

General notes:

Because of the seasonal nature of this role there may be limited volunteering opportunities available within the gardens from December to February. However we will always find tasks for those who brave the winter weather.

Road: Slimbridge Wetland Centre is 2 miles off the A38. There is a large car park with ample car parking spaces and there is a bike rack available for staff volunteers. Rail: Cam & Dursley rail station is a 3.5 mile cycle or taxi ride away. Bus: Unfortunately there is no bus service directly to Slimbridge: the nearest services stop is at the A38, 2 miles walk from the Centre. New for 2019: we are trialling a free minibus service for volunteers to/from the nearest train station and bus stops. Please ask your line manager if you would like to access this service.

We regret that we are not in a position to reimburse expenses incurred in travelling to and from the centre, but any pre-agreed expenses incurred in the course of your duties will be reimbursed.
