

# WETLAND EXPLORERS

Here's your chance to become a Wetland Explorer!

**HQ** Our Wetland Explorer HQ is a great place to start, then set off into the wild to become a real-life explorer!

## Mini-Beast Hunt

Explore under rotten logs, mossy rocks, crunchy leaves and search through soft soil to uncover a minibeast metropolis. Find out more about the creatures you meet!

**When?** Daily 10am to 10.30am

## Den Building

Could you build a den and survive in the wild? Head over to Wiggly Wood and construct a real woodland den using bendy willow, wood, and other natural materials for walls.

**When?** Self-guided, all day, every day

It's a **wild** day out for the whole family!

## Pond Dipping

Head to the Pond Zone, grab a net and delve beneath the surface to discover incredible aquatic animals. You'll be surprised what you find swimming, diving and wriggling in there! Remember to book your place at the Info Desk as soon as you arrive.

**When?** Daily 11am to 12 noon

## Explore play area

Adventure awaits along our winding wetland paths. Make your way through our jungle of reeds, past the Wetland Wizard's hut and over balance beams to our giant nest building area.

**When?** Self-guided, all day, every day

## Wetland Explorer Training

Head back to Wetland Explorer HQ before setting off into the Millennium Wetlands with a ranger to learn how to look for tracks, identify different animals and where to see the best wildlife.

**When?** Daily 1pm - 2pm

## Fantastic Flamingos

Why do flamingos stand on one leg? Why are they pink? Come and learn all about these colourful Caribbean characters and their adorable babies with our friendly expert.

**When?** Daily 2.30pm - 3.15pm
