

WETLAND EXPLORERS

Here's your chance to become a Wetland Explorer!

HQ Our Wetland Explorer HQ is a great place to start, then set off into the wild to become a real-life explorer!

Mysterious Moths
Moths are some of our most mysterious creatures. Join us as we take a closer look at the variety of species that have been using the reserve by night.

When? Wednesdays only 10-10.30am

Wetland Crafts
Feeling creative? Pop into the Pond Room and make a wildlife-inspired craft to take home with you.

When? Self-guided. All day, every day.

Join our ranger every Wednesday for Wetland Ranger-led sessions!

Share your wild adventures #WetlandExplorers

Mini-beast Safari

Time for a crazy, creepy-crawlie adventure! Use your explorer backpack kit to discover what's buzzing, hopping and scampering through the undergrowth.

When? Self-guided. All day, every day.
Wetland Ranger-led Wednesday Session 11-11.30am.

Pond Dipping

Explore life underwater, and catch pond creatures such as water boatmen, pond snails and blood worms.

When? Self-guided all day, every day.
Wetland Ranger-led Wednesday Session 1-1.30pm.

Enigmatic Owls

Barn owls are hard to spot unless you're out at dawn or dusk. But you can find out what they eat and where they hunt by dissecting their pellets.

When? Self-guided. All day, every day.
Wetland Ranger-led Wednesday Session 2-2.30pm.

Build a Bird Feeder

Learn how to make your very own feeder that dispenses tasty bird seed. You can take it home, set it up in your garden or on a window ledge, and then wait for some new feathered friends to arrive!

When? Self-guided. All day, every day.
Wetland Ranger-led Wednesday Session 3-3.30pm.
