

Quiz: Habitats – Answers

For children aged 5-7 years

Round 1: Picture round

The following animals were all mentioned in this week's session.

Q Can you name them?

1 Fox

2 Woodlouse

3 Centipede

4 (Grey) squirrel

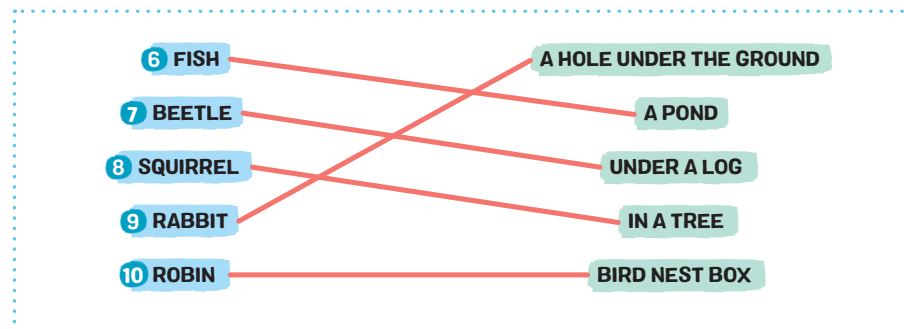

5 Ladybird

DID YOU KNOW?
Centipedes have one pair of legs per body segment, while millipedes have two pairs.

Round 2: Where do I live?

In this week's session you learnt all about habitats and micro-habitats.

Q Draw lines to match each ANIMAL to the MICRO-HABITAT where it lives:

Round 3: Guess the habitat

Q Can you guess which habitat is being described?

11 This habitat has lots of trees.

Wood, woodland or forest

12 This habitat is very hot. You might see sand dunes there.

Desert

13 This habitat contains lots of water. The water isn't moving.

Pond, lake, reservoir or canal

14 This habitat is very cold. There is lots of snow and ice.

Tundra, arctic, antarctic, mountain

15 You might go here on holiday. There are sometimes rockpools here.

Beach, coast, seaside (or similar)
