A A Shimmering Wetland Welcome

Your magical illuminated wetland journey starts under the glittering WWT Lumagica archway, then dip your feet in to the blue 'waters' of our light tunnel. Dance under the 'rainfall' lights before meeting our glorious giant heron.

B Flutter, Flit and Flicker

Dazzling dragonflies lead the way to the shadow play hut, create amazing animal shapes and shadows. Bright fireflies flit in the trees, and you can spread your #WetlandWings with a unique animated photo opportunity.

C Winged Critters of the Dark Night

The beautiful, and hungry, Eurasian crane has an eye on some tasty wetland creatures! Get close, can you see what they are? Next transform yourself into a winged nocturnal night-time critter - become a batman or batgirl with more of our dazzling #WetlandWings.

D Seasonal Wetland Wonders

Let it glow! Gaze at the glorious birds you can see throughout the year at London Wetland Centre. Have fun lighting them up! Then there's another opportunity for some #WetlandWings, share your amazing photos with us on Facebook or Instagram.

E Hoppy Days!

Put some spring into your step and jump, jump, jump like a frog to create your own fun light show! Amaze at the life cycle of the frog in our awesome amphibian archway!

Be dazzled by the shining Hawaiian goose, then be bathed in a fabulous pink glow with our fantastic flamingos and the chance for the pinkest #WetlandWings photo op you can get!

G Birds of a Feather

Our feathered wetland friends are sparkling tonight and ready for you to meet them. A pair of stunning Kingfisher wings are waiting for another great photo opportunity to share #WetlandWings

H In to the Woods

Take a stroll where the wetlands meet woodlands and say hello to Winifred, our gorgeously glam glowing giant barn owl.
