

## **When I go to WWT Slimbridge**

There are lots of things to see and do.

I will stay with my group. We are all visiting Slimbridge together.

It is exciting to go to Slimbridge.

## **When I go to WWT Slimbridge**

I will arrive at Slimbridge in the car park.

I will need to go up the welcome ramp to get to the entrance.

I may need to wait in a queue until it is my turn to go in. Waiting patiently helps to make everyone feel happy.

## **When I go to WWT Slimbridge**

If I need to go to the toilet, I can ask my group or family to take me so that they know where I am. This will keep me safe.

There are lots of toilets around Slimbridge. In the car park, visitor centre, at the Living Wetland Theatre and canoes.

I can buy food and drinks from the Kingfisher Kitchen or kiosks if I get hungry or thirsty.

I don't have to buy food from Slimbridge.  
I can eat food that I have brought with me and have a picnic.

## **When I go to WWT Slimbridge**

I may feed the birds at Swan Lake. A member of the Slimbridge team will give me special food for the birds.

If I don't want to feed the birds, that is OK. I can watch other people feed them instead.

## **When I go to WWT Slimbridge**

I may go on a canoe safari. A Slimbridge team member will ask me to wear a life jacket. This will keep me safe.

The boat may rock a little but that is OK. The Slimbridge team will help me to get in and out of the boat.

## **When I go to WWT Slimbridge**

I may visit the Living Wetland Theatre. There may be a bird flying near me, but I am safe sat with my group. A Slimbridge team member may use a microphone to tell me all about the animals. It will be a little loud but if I don't like it, I know I can ask my group if we can leave.

## **When I go to WWT Slimbridge**

I may visit the bird hides to look at wild animals.  
Some animals do not like loud noises. I will try to be quiet.

This will make the animals feel safe and help everyone to enjoy the wildlife.

## **When I go to WWT Slimbridge**

Some places will be loud. There may be lots of people talking and some animals make loud noises. This is OK, it is how the animals talk to each other. I know I can ask to go to a quiet place like the Garden of Reflection or the Rain Garden.

## **When I go to WWT Slimbridge**

Sometimes the animals may be sleeping or hiding. I will try not to be sad or frustrated. I can come back another time to see them. There are lots of other animals to see.

## **When I go to WWT Slimbridge**

Some of the animals will come close to me.  
I might feel scared, but I know I am safe with my group.

It is okay to ask to move away from something I do not like.

## **When I go to WWT Slimbridge**

Before I leave, I may visit the shop. It might be busy in the shop. I can ask to walk straight to the exit. It is OK if I do not buy anything from the shop.

## **When I go to WWT Slimbridge**

When it is time to leave, I will get my things and say goodbye. I will exit by walking through the shop or through the side gate.
